IBANEZ AWARDED SONTAG WILL CASE IN COURT RULING

Will of Richard Sontag of Dec. 1, 1939, Upheld by Judge Warmer

Decision was announced by Judge Warmer of the Superior Court at San Bernardino Wednesday upholding the last will and testament of Richard Sontag, bearing date of Dec. 1, 1939. This was the will that the late Mr. Sontag had made several months prior to his death, and in which he had appointed Richard Ibanez of Upland as executor. The court denied the petitions for the probate of two other wills that had been presented at the same time.

INVALID WILL CLAIMED

When Mr. Ibanez offered this will for probate several months ago, it was immediately contested by Fred Schulhof, who alleged that the final will was invalid for several reasons. Mr. Schulhof also presented a will, dated July 11, 1936, in which he was made executor of the Sontag estate, which amounts to between $30,000 and $40,000.

At the same time, Ray C. Norton of Upland also contested the will that had been presented by Mr. Ibanez and offered another dated Nov. 10, 1938, in which he was named executor. The beneficiaries named in the will presented by Mr. Ibanez and in the will presented by Mr. Norton were practically identical, all of the estate going to certain relatives in Germany, save that in the will presented by Mr. Ibanez $100 bequests were made to Mrs. E. L. Eyer of Upland and to one of the churches in Upland.

THREE-DAY TRIAL

During the three-day trial over these wills, Mr. Ibanez was assisted by Edward E. Gray, Upland attorney, and Mr. Norton by Attorney Fred Wilson of San Bernardino; while Mr. Schulhof was represented by Los Angeles attorneys. The German consulate also intervened in the matter and was represented by its attorney.

While this question has not yet arisen in the matter, it is thought probable that upon the conclusion of the probate the court will require the executor to retain all of the assets of the estate on hand and not forward them to the relative in Germany until the war is over. This precedent in regard to German heirs has been established in probate cases in California, as the courts apparently consider the heirs probably would never receive their legacies under present conditions.

World Affairs Is Mrs. Kipp's Theme At Lions Meeting

World affairs was the center of attention at the meeting of the Upland Lions club in the Red Hill Country club house at noon yesterday. Mrs. A. R. Kipp, a widely read student of the international situation, ably discussed "Hands Across the Equator."

She pointed out the necessity of close cooperation between the republics on the American continent. She discussed developments and vividly related historical incidents.

J. Emery Sargent was the program chairman with President J. W. Mehl in charge of the meeting.

Trout in Chino To Be Discussed At Game Meeting

D. A. Clanton will speak on the question of holding and rearing trout in the Chino reservoir at a meeting of the West End Fish and Game association Monday evening at 7:30 o'clock, at the Central school, G and Sultana street, Ontario.

A motion picture will also be included in the evening's program. John A. Andreas is president.

ENDLESS HOURS OF WORK IN RED CROSS THRILLS LEADER

"I like to feel that I am doing something worth while."

That explains why Mrs. Mary Eckerman, who has been engaged in Upland Red Cross work for 14 years, including six years as chairman, does not tire of the endless hours of work which are required as head of the local chapter.

"I like to play cards now and then, but if you spend many afternoons doing that you don't help anybody," she commented. And the satisfaction which comes from contributing something useful and helpful to humanity is reflected in the happy countenance of the Red Cross executive.

Mrs. Eckerman claims only a small share of the success which has always accompanied the work of the local chapter. "I have fine chairmen. They take the responsibility of their special departments and relieve me of worry."

As welfare chairman for many years before she assumed the general chairmanship, Mrs. Eckerman found vast opportunity to administer local welfare funds. Especially arduous was this task during the severe depression years in the early 1930's.

Upland's annual Red Cross roll call, which started this week, has met with splendid local response. "It is easier to secure subscriptions this year than last," says Mrs. Eckerman, who spent many hours this week at the Red Cross table in front of the J. J. Atwood store.

This year's membership quota is 800 from the Upland chapter. The local chapter includes the outlying districts of Cucamonga, Alta Loma, Etiwanda and Camp Baldy.

Out of every membership, 50 cents goes to national headquarters and the balance is kept for local welfare work. Although $1 is the minimum membership fee, larger subscriptions are requested since the need is great this year.

Mrs. Eckerman has been a resident of Upland for 30 years, coming here for her husband's health. Following his death more than 20 years ago, she has devoted a large share of her time to philanthropic work.

HOME-COMING TO BE HELD SUNDAY

Annual Dinner Gathering To Be Held at Mennonite Church Nov. 17

The annual home coming and harvest festival will be observed at the First Mennonite church on Sunday. After the Sunday school and church service, the congregation, with former members, nonresident members and friends of the church, will meet in the dining room for a basket dinner.

A special program will be given at 2 p. m. Music will be furnished by the men's chorus and several numbers will be sung by members who were here in the year 1906, when services were still held in the old Sauerwine building on Eighth street.

There will be a brief memorial service for those who passed away during the year. Short talks will be given by the Rev. J. C. Mehl, oldest member of the church (nearly 91), and the Rev. M. M. Horsch, organizer and first pastor of the church.

This is one of the annual events which means much in the life of the church and is eagerly awaited by all its members and friends. A cordial invitation is extended to any in the community.

Men's Missionary Union of Churches In Annual Session

Annual meeting of the Men's Missionary Union, which includes laymen of the several churches of Upland, was held Tuesday evening in Fellowship hall of the Methodist church, with David Dahlem of the First Mennonite church, presiding as president.

Some 50 men of the community attended the meeting, which began with the serving of a 6:30 dinner by women of the N. E. W. circle.

The group of laymen, led by selected representatives from each church, meet once each year for the purpose of renewing interest in and stimulating support of missionary work carried on by the churches.

During the meeting the representatives gave accounts of the missionary work done by their respective churches and at the conclusion of their reports W. W. Mather gave a general resume of the missionary movement during the past year and concluded with an inspiring talk.

MERCHANTS PLAN CHRISTMAS EVENTS

Promotion Plans To Be Outlined at Breakfast Tuesday

To plan a comprehensive Christmas promotion program, Upland merchants will meet for breakfast Tuesday morning at the Masonic hall at 7:30 a.m. The meeting is called by Paul G. Hottel, chairman of the chamber of commerce merchant' committee.

Reservations for the breakfast are being secured today by H. M. Guy, secretary of the chamber of commerce. The business leaders will consider a general program for promotion, including a Christmas opening night, street lights, and decorations.

The breakfast meeting will be brief so that men can reach their places of business at the usual opening hour.

CLOSER TWO-CITY ACTIVITY SOUGHT

New President of Ontario Chamber Urges Unity In Promotion

"One of my principal aims as head of the Ontario chamber of commerce is to develop a closer feeling between Upland and Ontario," J. Dewey Harnish said today. He was formally installed as president of the civic group at a meeting Tuesday night. In speaking then Mr. Harnish outlined several objectives.

"I believe there is much to be mutually gained in the two communities working more or less as one," continued the civic leader who in recent months was very active in getting the Cal-Aero academy established on South Euclid avenue.

"There is much ahead for all of us here, but naturally if only Ontario is concerned in promoting developments, the benefits to Upland would be more limited."

Mr. Harnish, a former Upland resident and a former director of the Upland chamber of commerce, succeeded Ulrich J. Schmid as president of the Ontario chamber. The annual banquet and installation program was held in the Cal-Aero academy mess hall with nearly 400 persons in attendance.

Several persons from Upland were in attendance.

RAISE $3,000— FULL QUOTA FOR WELFARE DRIVE

Success Accompanies Upland's Second Community Welfare Campaign

Victory is announced for Upland's second Community welfare drive, will all of the $3,000 quota raised.

Such was the good news from John Shepperson, 1940 campaign chairman, today.

Appreciation for the cooperation of all campaign workers was expressed by Mr. Shepperson today. Assurance that the four participating agencies will be able to function efficiently during the coming year results from the successful conclusion of the drive. Four agencies are Boy Scouts, Girl Scouts, Sick Baby Fund, and dental clinic sponsored by the Upland Junior Welfare league.

"There are some prospective subscribers whom solicitors were unable to reach although they returned several times," says Mr. Shepperson. "If these persons will mail in their pledge or contribution to Harland Horak, treasurer, they will be just as much appreciated as if they had been the first subscriptinos to be received," says the campaign leader.

Because there is usually a small shrinkage in pledges, additional subscriptions will be welcome. More subscribers this year than formerly indicates a wide interest in community welfare, the executive committee feels.

Cucamonga Service Club Will Meet for Dinner on Monday

Regular meeting of the Cucamonga Service club, postponed from Monday because of the holiday, will be held next Monday evening in the Sycamore inn, it is announced by Bob Henderson, president.

ALTA LOMA ASSN. REELECTS BOARD

Prices Are Five Per Cent Higher on Ten Per Cent Less Fruit

All directors were re-elected at the annual meeting of the Alta Loma Heights Orange and Lemon association held yesterday. Directors include J. F. Grass, Jr., H. A. Ledig, John C. Belcher, C. V. Motsinger, E. F. Lingo, E. E. Perdew and E. R. Hively.

Organization meeting, when the board will elect officers, will be held some time within the next two weeks.

Annual report made by Manager Paul Adams stated that 325 carloads, including all varieties of oranges and lemons, were shipped during the year. Volume of fruit was 10 per cent less than in 1938-39, but returns were five per cent higher.

Fred W. Evans, assistant orange sales manager of the California Fruit Growers exchange, spoke at the meeting in the afternoon, following the dinner. He stressed the importance of advertising in establishing the demand for both oranges and lemons. He spoke of the lemon acreage coming into bearing within the next few years, which will make marketing more difficult unless increased demand is created.

Because of illness, H. B. Harlow, manager of the O-K exchange, was unable to attend. Clyde Duncan, assistant manager, represented the O-K exchange.

JUNIOR HIGH STUDENTS GET PERMISSION FOR ONE DANCE

Establishing a new precedent, Upland school board granted permission for Upland junior high school students to conduct a student dance, at the monthly board meeting Wednesday evening.

The first dance, which will be a matinee affair, from 3:15 to 5, on Thursday, Dec. 5, will be in the nature of an experiment. If the dance is well received, and if it is popular among students, the board may make it possible for other dances to be held.

Girls' and boys' leagues of the junior high school will sponsor the event. Two other junior high schools in the Chaffey district permit matinee dances. A year ago the Ontario junior high school initiated dances. A recent Halloween dance was the first occasion of its kind for the Ontario school this year.

Chinese Cook May Owe Life To Phone Girl

"Sing," Chinese cook for Mr. and Mrs. E. F. Pelton, 2002 North Mountain avenue, may owe his life to a telephone operator.

At 7:35 o'clock this morning the operator notified the Upland police department that someone apparently seemed to be in distress at a number at 2002 N. Mountain avenue. The operator also notified Mrs. W. A. MacKay, 2270 North Euclid avenue, that someone was calling "MacKay, Sick."

Police Officer E. E. Evans reported immediately, and Mrs. MacKay sent Frank, a Japanese caretaker, to the residence at once. She also sent a doctor.

When Officer Carter reached the home, he found Sing, partially paralyzed, lying beside a telephone table. In falling, he had knocked the phone to the floor. Frank was left with the Chinaman, while Mr. and Mrs. Pelton, in La Jolla were notified. They returned today.

Sing who has been employed as cook by the Peltons' for many years came with them to California from New Jersey recently.

Coach at Redlands To Address Dinner For Fathers-Sons

Cecil Cushman, football coach at the University of Redlands, will address a father-and-son banquet to be given by Upland troop No. 3 at the Presbyterian church at 6:30 p. m., Monday, H. A. Hixson, new scoutmaster, announced today.

Members of troop No. 3 are selling tickets for the affair. Anyone is welcome. It is expected that there will be a number of "foster" fathers who will sponsor Boy Scouts or Cubs who might otherwise not be able to attend. A ticket, which costs 75 cents, entitles two—a "father" and a son to the meal.

Women of the church are serving the dinner. A musical program will also be provided. This is the first major activity to be undertaken by the troop since Mr. Hixson assumed leadership.

MISS AVERY IS CRITICALLY ILL

Chaffey Teacher Reported To Be in Critical Condition At Hospital

Miss Lois Le Baron Avery, an outstanding teacher in the Chaffey district since 1908, was this afternoon critically ill at the San Antonio Community hospital. Suffering with pneumonia, Miss Avery has been under the oxygen tent since yesterday morning.

She is a member of the Chaffey high school and junior college staff as a public speaking teacher. She was on duty at the start of school in September, but after two weeks of service she became ill. While she has been a hospital patient frequently since then, her condition did not become critical until this week.

S. A. HEIGHTS LEAGUE HOLDS BIG COMMUNITY MEETING

Several records were set at last night's meeting of the San Antonio Heights Community League.

More than 100 people were in attendance, to set the first record.

San Antonio Heights as the choicest residential site was boosted as it has never before been boosted at a public meeting.

Three religious faiths were openly and frankly discussed.

With Mr. and Mrs. Abe Kistner of the Monte Vista resort as hosts, members of the league, other Heights residents and visitors were entertained in an unusual get-together. Mr. and Mrs. Kistner are vitally interested in their neighbors and they provided the excellent turkey dinner as a gesture of appreciation. The dinner-meeting was held in the dining hall of the resort. Dr. Charles B. Taylor, the versatile and active president of the league, uniquely introduced visitors and conducted the informal meeting. Plans were announced for the league's annual Christmas party.

THREE SPEAKERS

Three speakers from the University Religious conference told of the effort to make religion a factor in the lives of university students and related how leaders of the various faiths are working cooperatively at U. C. L. A. and at the Los Angeles City college.

The speakers, young men, each spoke briefly about his faith. An open forum followed and various phases of religion and the churches' part in meeting modern day problems were informally discussed. The speakers were Stewart Ratliff, a Catholic; George Hill, a Protestant, and Gilbert Jackson, Jew.

Colorful Thanksgiving turkeys were on the table as decorations and fall flowers were also artistically placed to enhance the beauty of the setting. Mrs. Evelyn Miller took the lead in placing the decorations, she being assisted by Mrs. H. B. Hamilton.

GUESTS INTRODUCED

Among the guests introduced were Mayor D. J. Cameron, Mayor and Mrs. George P. Weldon of Ontario, Mr. and Mrs. Forrest Doucette of the Ontario Herald, Judge and Mrs. Fred H. Jacobs, Mr. and Mrs. Douglas Black and Mr. and Mrs. Vernon V. Paine.

Presented as new members of the league were Mr. and Mrs. Frank C. Davis, film scenario writers, who have recently located in the Heights.

President Taylor announced the following as members of the committee for the Christmas party: Mrs. Clyde Tigert, Mrs. H. L. McLellan, Mrs. Gooding Lydick, Mrs. Frank Davis, Mrs. N. R.

QUESTIONNAIRES SENT TO 150 MEN

Upland Draft Board Proceeds With Work of Classifying 3,164 Men

A total of 150 questionnaires have been mailed from the Upland Draft board office, and mailing is continuing at the rate of 25 a day.

Response in returning questionnaires has been good, but the local board wishes to emphasize the necessity of having necessary affidavits sworn to, either before a member of the advisory committee, a notary public, or a member of the draft board, before eacn questionnaire can be considered complete.

One affidavit on the bottom of page 7 specifies that the information contained in the questionnaire is corect.

For draftees who have dependents over 18 years of age, another affidavit must be sworn to. This affidavit is on page 5. Draftees are required to use ink.

Each questionnaire mailed from the Upland board contains the names of the advisory committee, of which R. A. Ray is head. Draftees who need such assistance, have so far been able to make appointments with the advisory members for help. Therefore, it does not seem necessary for the committee to maintain an office at the American Legion hall each night, as formerly announced, says Mr. Ray.

LINE'S PICTURES TO BE SEEN HERE

P.-T. A. To Present Traveler And His Recent Colored Motion Pictures

The motion picture the people of Upland have been waiting for, Francis R. Line's "Circle of Fire", will be shown in the auditorium of the Upland Elementary school next Tuesday evening, Nov. 19, starting at 7:45 o'clock.

This will be the first showing in Upland of Mr. Line's new colored pictures, made during his recent extended tour of the Orient.

Starting out last spring primarily to picture the great volcanoes that practically ring the Pacific ocean, Mr. Line soon found himself—as he did in Finland just before the Russian invasion—in a land upon which the devastating spotlight of war is surely turning. Twice it has been Mr. Line's good fortune, perhaps through his almost uncanny sense of selection, to go thrill hunting with his camera just a jump or two ahead of the god of war.

While color filming much of the scenic beauty, the grandeur and almost over-powering magnificance of the lands that rim the ocean, Mr. Line found a number of great volcanoes. He also found other volcanoes, of a different kind, almost ready to erupt.

The unrest and turmoil of the Far East, the smouldering hatreds and fears that ebb through the Orient like dark shadows cast by present and approaching wars, the tense waiting for the rumble of the storm, in Shanghai, Hongkong, Singapore, Bali, Hawaii, even in the most remote and peace-loving islands — all these Mr. Line's camera pick up in revealing scenes.

Even as intensely interesting as the pictures is Mr. Line's accompanying lecture.

Mr. Line will show his pictures under the auspices of the Upland Parent-Teacher association, which will receive a generous portion of the proceeds.

The public is cordially invited. Admission may be paid at the door.

Eastern Blizzard Helps Raisers of Western Turkeys

G. A. Hanson, who is raising 6,500 turkeys this year at his Adelanto ranch, says that the blizzards in the middle west decreased the supply of Thanksgiving and Christmas fowl to such an extent that immediate reflection is felt in increased market quotations.

Because of the large supply of turkeys raised this year, the market was disastrously low, so the increase is needed to permit turkey raisers in more fortunate climates to survive.

Mr. Hanson raised 10,000 turkeys two years ago at Adelanto. He also raised 6,000 chicken fryers this year at his desert ranch.

Attends Reunion of World War 'Buddies'

Attending for the first time, a reunion of his division, I. J. Linkey was one of 100 men present at the Last Man's club meeting of Co. I, 364th Infantry, 91st division, in Tulare, Sunday.

Mr. and Mrs. Linkey, 248 North Laurel avenue, left Upland Sunday morning. While the men joined in their reunion, wives were entertained at dinner at the Tulare hotel. Mr .and Mrs. Linkey drove north with Mr. and Mrs. Richard Hiebler of Azusa. They returned Monday.

MORE RED CROSS FUNDS NEEDED TO FILL QUOTA HERE

Response Good But Many More Members Needed to Aid in Emergency

With tables at the Atwood store and the two Upland banks and with several solicitors not having reported at this time, those in charge of the Red Cross annual roll call for memberships in the local chapter are optimistic that the quota of 800 memberships will be secured before Thanksgiving day. At noon today the number of persons having joined was well over the 500 mark.

All solicitors are requested to finish their work and turn in their reports to the headquarters at the Atwood store as soon as possible. For the convenience of those who wish to give and to accommodate those who were not at home when the solicitors called, tables will be maintained at the above named places every day through next Wednesday.

The need for Red Cross services throughout the nation the coming year is expected to be greater than for some time — with army and navy personnel being increased many thousands—and it is therefore desired that the membership go as far beyond the 800 minimum set for the Upland chapter as possible.

Work in the Cucamonga-Alta Loma district — under the leadership of Mrs. A. C. Beattie and the canvass being sponsored by the Woman's club of those communities — is expected to show much better results than in any former year, while O. H. Price of Etiwanda can be depended upon to secure his usual large number of memberships.

Upland Boys Get Recognition for Prize Book Float

Upland boys who belong to the Ontario squadron, Sons of the American Legion, are today receiving congratulations on the work which they did on the prize-winning float in the Armistice Day parade. Headed by Robert Marsh, son of Mr. and Mrs. E. E. Marsh of Upland, the group includes members from both Ontario and Upland, Jack Detmers of Upland is adjutant of the group.

The boys' float won first prize in the patriotic organizations division. It revealed a large open book. On one page appeared the words "Peace Through Preparedness", and on the other, "Speak Softly, But Carry a Big Stick", a quotation from Theodore Roosevelt.

Savages Will Leave Soon for San Diego; Then Eastern Cities

Mr. and Mrs. D. C. Savage, 419 North First avenue, expect to move about Dec. 1 to San Diego. Mr. Savage, who is engaged as inspector for the California Fruit Growers exchange, is being transferred to San Diego. Because of the airplane manufacturing industry and navy expansion program, there Mr. and Mrs. Savage have found it exceedingly difficult to find housing accommodations.

From San Diego, they will be transferred for three months to New York City, and then for three months in Chicago.

Mr. and Mrs. Savage, who have many friends in Upland, regret that they are being transferred.

Thief Takes Three Purses at Party

Purses belonging to three women were stolen while they were at a party at the Hugh Garrison home, 703 East H street, Ontario. Mrs. C. M. McHenry, 227 East Seventh street, was among the victims. A thief allegedly cut a screen on a bedroom window.

Other victims were Lois Jacobs, 1034 North Laurel avenue, and Jean Martin, 627 East J street, Ontario.

NEWS OF SOCIETY AND CLUBS

MRS. ETHEL THRASH, SOCIETY EDITOR

Wesleyan Guild Will Open Meeting at Earlier Hour

Members of the Wesleyan Service Guild of the Methodist church are requsted by the president, Mrs. Henry Anderson, to bear in mind that the Guild meeting to be held next Tuesday evening, will open at 6 o'clock, half an hour earlier than the regular time.

The change is made in order that those members who so desire may attend the showing of Francis Line's picture in the Upland Elementary school auditorium.

The meeting will be held at the home of Mrs Robert Hall, 73 West Ninth street, with a 25c supper being served by Mrs. Hall, Mrs. Arthur Sherbondy and Mrs. Vernon V. Paine.

Mrs. Anderson will conduct a brief business session and a short program will be presented.

Mrs. Moser Hostess At Luncheon for Solana Club

Meeting a week in advance of the regular day because of the Thanksgiving holiday, members of the Solana club were entertained Wednesday by Mrs. L. E. Moser at her home, 535 West Twenty-first street.

Mrs. Moser began the party with a luncheon served at the noon hour. Choice roses were used in the table decorations.

During the informal social afternoon the friends visited over their needlework.

Mrs. M. H. Bailey was a special guest and the club members present were Mrs. Lester P. Jones, Mrs. D. D Lambert, Mrs. Minnie D. Goodrich, Mrs. Oscar Gaither, Mrs. Frank C. Buffington, Mrs. Etta Johnston, Mrs. Roscoe Sales, Mrs. William Littlewood and Mrs. Moser.

Family of Magicians Delight Audience At Club Dinner

Although billed as William Larsen's feats of magic, the program presented at the Upland Woman's club guest night meeting Tuesday evening, proved to be a family affair—of a highly entertaining and amusing type.

The meeting, held in the evening for the conveniece of the husbands and other guests of the club members, opened with an excellent turkey dinner served at 6:30.

As a reminder of the approaching Thanksgiving season, a "bountiful harvest" theme was emphasized in the arrangement of many colorful fruits as a centerpiece for the speaker's table. The other tables were decorated with quantities of gay red berries and a huge basket of chrysanthemums stood near the stage.

Mrs. Donald E. Hill, club president, dispensed with the usual business session, declaring the meeting to be entirely social in honor of the guests, and called upon Mrs. J. Emery Sargent, program chairman, to present the entertainers.

As the stage curtains were drawn, Mrs. Larsen, beautiful in a colonial costume, appeared and opened the program with an introductory talk about magic, giving a brief history of the art of legerdemain. With a grace and charm that captivated her audience as thoroughly as did her dexterity, she performed a number of mystifying feats of magic. Distributing to the audience roses cut from a bush grown while she talked was one of her "tricks".

During the evening Mrs. Larsen made two other appearances, at one time wearing a rich Chinese costume.

Mr. Larsen, known for his magic in practically all great cities of the world, presented a full program of baffling performances, accomplishing his sleight-of-hand feats with a surity and precision that delighted his audience, as did the humor of the amusing things he did and said, as he kept up continuous comment while he worked.

Assisting their parents were the two young sons of the family. The younger, a boy of perhaps 10 years, dressed in Chinese costume, gave a very creditable sleight-of-hand performance.

Mrs. G. A. Brest and Mrs. Maud M. Brogan were were in charge for the evening and with the other members of the committee served the dinner and arranged the decorations.

More than 100 club women and guests were present to enjoy the evening of special entertainment.

Because the regular day of meeting comes just before Thanksgiving day, members of the Uplario club held their November party Wednesday at the home of Mrs. Thomas W. Harris, 411 East Foothill boulevard.

Chrysanthemums in rich autumn colorings were used in the house decorations and also graced the table at which Mrs. Harris served a delectable luncheon. The afternoon was spent in informal visiting.

Present for the party were Mrs. A. N. Baker, Mrs. C. O. Deverts, Mrs. C. K. Francisco, Mrs. J. T. Salisbury, Mrs. Gordon C. Day, Mrs. Charles Bingle and Mrs. Moser, members of the club, and Mrs. Bingle's sister-in-law, Mrs. Ida McGary.

Birthday Dinner for Mrs. Earl Dority Merry Event

As a delightful surprise for Mrs. Earl Dority, Mr. and Mrs. F. E. Samuel entertained recently at their home, 647 East Fourth street, Ontario, with an informal birthday dinner, marking Mrs. Dority's anniversary. Guests were Mr. and Mrs. Dority and son, Billy, and Mrs. Clara Strieby.

The dinner was served at noon at a smartly appointed table and in the afternoon the group motored to the desert, going as far as Victorville. The dinner and the motor trip combined to provide a happy celebration for Mrs. Dority and for all others in the group, as well.

Mrs. Bill Schneider Honored Guest at Layette Shower

Entertaining with a layette shower and bridge party honoring Mrs. Bill Schneider (Marie Jones), Mrs. H. M. Guy and her daughter, Mrs. Otto S. Von Aber (Esther Guy) of Los Angeles, were hostesses to a number of guests Tuesday evening at the Guy home, 1388 North Euclid avenue.

In the early part of the evening a bridge tourney was enjoyed, with high score prize going to Mrs. E. O. Bowden, and second award to Mrs. Jack Dundas.

Mrs. Schneider was presented with a collection of beautiful gifts, dainty and useful articles for her layette. The gifts were heaped upon a table by which stood a huge white stork.

The table from which rerreshments were served was graced with a particularly appropriate decorative arrangement. A small white cart held a tiny doll and over the cart was spread a blanket of white baby chrysanthemum blossoms "embroidered" with scattered dots of tiny pink rosebuds and blue cornflower. A stork kept watch over the cart and on each side were tall pink candles. The nut cups also were cleverly constructed, each being topped with a tiny lattace upon which perched an equally tiny stork.

Present for the party and shower were Mrs. Schneider, Mrs. Ellis Zander (Louise Norton) of Santa Barbara, Mrs. Jack Dundas (Marian Gilliland) of Alhambra, Mrs. Charles Banks (Rae Jean Gilliland) and Mrs. Marion Coltrin (Gladys Bowden) of Pomona; Mrs. Elwood Kirkpatrick (Gloria Foss) of Ontario, Mrs. Ray C. Norton, Mrs. E. O. Bowden, Mrs. E. C. Rosenberger, Mrs. Howard Paulin, Mrs. Dick Winslow (Helen Guy) and Mrs. Von Aber, both of Los Angeles, and Mrs. Guy.

CAPTAIN HUBBARD AT CUCAMONGA CCC RECALLED TO ARMY

Commanding Officer Here Is Sent to San Diego Post This Week

Captain William Hubbard, who has been commanding officer of the Cucamonga CCC camp, was called to active army duty this week, and is now stationed at Fort Rosencrans in San Diego.

Captain Hubbard came to the Cucamonga camp last summer when Lieut. Don Greelis, commanding officer for several years at Cucamonga, was sent to Alaska to supervise 400 men in construction of an army air base.

Captain Hubbard and his wife and young daughter have been living in Ontario.

Replacing the Captain as commanding officer is Lieut. Frank L. Mann, a graduate of the University of Wyoming, who has been engaged in CCC work since 1934, having been located in the Los Angeles district. He comes to the Cucamonga camp from Santa Barbara. Second in command is Lieut. Edward J. Curran, a University of California graduate.

Enrollment at the local camp is now 182. Out of that number, only 15 are 21 years of age or older, and therefore required to register for draft. One of the 15 is included in the first numbers drawn, he has been notified.

Cucamonga camp, because of its central location, is the center of five camp athletic contests. Play-offs are scheduled this week end here.

BOOKS WANTED FOR BOYS AT CAL-AERO

Upland Library Is Seeking for Books For Students' Entertainment

BY MRS. F. H. MANKER, Librarian

And now a little national defense work. If you have a book which you have read and enjoyed, now is your chance to pass that pleasure along to someone else.

A short time ago the San Antonio Library club decided to help the morale of these boys who are training at Cal-Aero academy, below Ontario, by collecting and sending down as many books as possible for their amusement and enjoyment.

The San Antonio Library club has as members the librarians from the towns of Pomona, Ontario, Claremont, Chino, San Dimas, Covina, Azusa, Glendora and Upland. They come from municipal libraries, from college and school libraries, from county branches, and others.

About 35 books, duplicates of many in the library and gifts from the townspeople, have been sent from the Upland library. About 40 others have since been donated, but more are needed. It is hoped many more will be as generous with their books as were these donors.

All technical books needed for the boys' studies are furnished by the government, according to Lieutenant Strunk, but the recreational side has not been attended to. It seems a nice gesture on the part of the libraries to help out.

Anyone willing to donate will please leave books at the library or if unable to send them, call 313-111 and someone will collect.

"Sign Up" Day on Farm Program Will Come Next Tuesday

Local citrus fruit growers and other ranchers will meet at the Upland chamber of commerce next Tuesday to apply for their 1940 conservation program earnings, stated C. M. Huston, local field man for the San Bernardino County Agricultural Conservation association. Before these farmers are notified to "sign up" for their 1940 earnings, the County Agricultural Conservation office determines that they have cooperated with the national farm program, Mr. Huston stated. As soon as additional determinations are made, he added, notices of later "sign up" days will be mailed to other farmers in Upland.

Grier Attends Highway Meeting In State Capitol

C. E. Grier, chairman of the board of supervisors, and Howard L. Way, highway commissioner, represented the county at a state-wide conference in Sacramento yesterday, called to discuss highway financing and possible revision of the apportionment of state revenues.

Among the questions reviewed were: Shall a larger allocation of the state gasoline tax revenues be made to municipalities? And shall registration fees on commercial vehicles be increased, and, shall a tax be imposed on motor fuel other than gasoline?

Alta Loma Parents Inspect Work Done By Their Children

Parents of children in the Alta Loma school had the privilege of inspecting some of the social study work being done by the various classes when the regular meeting of the Alta Loma Parent-Teacher association was held Tuesday evening in the school auditorium.

Mrs. Claude McKee, president, opened the meeting at 7:30 and conducted the routine business session, which was followed by a musical program presented by a number of pupils.

The glee club, directed by Boyd Lehman, principal of the school, sang several selections and Jocelyn McKee contributed a piano solo.

The parents then were invited to visit the rooms, where pupils served as hosts and hostesses and aided the teachers in explaining the exhibits of school work.

The first grade children are studying the home, making houses, furniture, etc.

A study of farms is occupying the attention of children in second grades. Indian exhibits in the third and fourth grade rooms indicated the nature of the project studied by those grades. The fifth and sixth grades selected a newspaper project, and the seventh and eighth grades are studying buildings and have exhibits of various types of houses.

The meeting was closed with a tea hour, the seventh grade mothers being hostesses, with Mrs. Bernie Wendling serving as chairman.

TODAY'S BIBLE VERSE

I came that they might have life, and may have it abundantly.—John 10:10.

How About This County?

District Attorney Buron Fitts will soon retire from his official position in Los Angeles county after 12 years of service. Los Angeles newspapers forecast that his successor, John Dockweiler, will conduct a "clean up" campaign. A columnist, writing in a weekly news service, also forecasts "a series of graft prosecutions and explosions that will stir up the whole countryside, opening up a war to the finish against the so-called 'gambling syndicate'."

If there have been gambling rings, racketeering and other gross unlawful operations in Los Angeles county, why does it take a change of administration to begin a fight against them? Do incumbents become too smug in their position and too unconcerned with conditions to relentlessly conduct a "clean up" campaign?

Of course, talk of a "clean up" campaign in Los Angeles county may be just so much drivel. That such a campaign seems justified, however, appears likely from reports. It, of course, is unnecessary to point out that Los Angeles county is bordered by San Bernardino county. What goes on in one county might very logically affect a neighboring county.

Just as Los Angeles county's newly elected district attorney is apparently going to take stock of what is going on, so we might here in this county scrutinize conditions. We do not in any way infer that anything needs "cleaning up", but we believe citizens and public officials alike should be constantly alert to keep the record clean. Occasionally, there is "talk" about conditions by individual citizens. No doubt, public officials also get this "talk".

Citizens of this county have a very high regard for the public officials in the courthouse at San Bernardino and throughout the county. On many occasions, the county's government has been singled out as an outstanding example of efficiency. People have faith in their officials; they expect District Attorney Jerome Kavanaugh and Sheriff Emmett Shay to see that no "gambling and underworld" conditions prevail.

Their staffs are constantly alert and are always ready to remove any sign of "big city lawlessness". Citizens of this county are depending upon their officials to conduct a continuous "clean up" campaign. That is, if any "clean up" campaign is necessary, the county's present officials should be able to conduct it, without waiting for the stimulus of an election.

Hold It Every Week

This is "No Accident Week".

There is no commercialism in such a week. You are not being urged to buy apples, grapes, bananas or anything else. Many special weeks are held to help boost some industry or some product of the land. But not so this time.

You are being asked not to hurt anyone—including yourself. You are being urged to drive carefully at all times, so you will not send someone to a bed of terrific pain, or to death.

The special "No Accident Week" comes at a significant time in San Bernardino county. The traffic toll has been greater in this county so far this year than during any year in its history. "No Accident Week" should be held every week.

Alta Loma Scouts Going to Mountain Cabin for Week End

Roy Lehman, scoutmaster ,and Claude McKee, assistant scoutmaster of Alta Loma Boy Scout troop, with their staff, will spend the week end in the Fred Price cabin in San Antonio canyon.

The cabin, which is located at the entrance to Bear canyon, adjoining the cabin of P. H. McQuillen of Upland, was donated to the Old Baldy council by Mr. Price of Ontario last summer. It will accommodate 14 to 16 persons. This week end the Alta Loma boys will make plans for future activities.

Aliens Rush to Register at P. O. Before Deadline

Registration of aliens at the Upland post office, coming in at the rate of 40 or 50 a day, was expected to boost the total at the local office to close to 700 today.

With Dec. 26 set as the deadline, post office officials are anxious to complete the alien registration before the Christmas mailing rush starts in December.

Upland's registration of aliens includes many persons from Cucamonga, Alta Loma and Etiwanda, since the post offices in those towns are third-class offices.

Dr. Aita Speaking On Day of Return From Eastern Trip

Scheduled to speak the same day that he is expected to return from a month's trip, Dr. A. A. Aita will tell of the newest developments in hospitals and in laboratories in the east, which he has visited, at the meeting of the Woman's Auxiliary of the San Antonio Community hospital on Monday at 3 p. m., in the hospital library. Dr. Aita is superintendent of the local hospital.

Dr. Aita's talks are always anticipated with pleasure by the Auxiliary because of the valuable information which he gives.

The November meeting is the annual occasion for the canned fruit shower, when members are asked to bring canned food for hospital patients. Mrs. Earl Johnson is president of the organization.

An Answer to— "WHY I DON'T GO TO CHURCH"

The following essay is written in reply to a recent article by Channing Pollock which appeared in the American Mercury and later in Reader's Digest under the title, "Why I do not go to Church." The author of this essay, Mrs. Herbert E. Gray, was ajudged winner in a contest held in St. Mark's Episcopal church for answers to the article mentioned above.

Ontario, California,
October, 23, 1940

The Church Editor,
2 Beekman Place,
New York, New York.
Dear Sir:

Going to church means a great deal to me and plays a significant part in my life as it does in the lives of many of my friends. I go to church to worship. The church is a sanctuary set aside where I may go with my fellow townspeople to attune myself to the Divine Spirit, to try to make myself a better channel for that Spirit, without which I believe no problems can be solved. I do not go primarily to listen to the sermon or music or sing the hymns, although these are important parts of the service. Many people go to church and relax in the pew to be entertained by the music and perhaps stimulated by the sermon. I believe success in the life of the Spirit requires effort and work, the same as success in any other part of life. The act of worship demands mental and spiritual concentration. The supine attitude on the part of many churchgoers is one of the weaknesses of the church.

Some people say they prefer to practice their religion alone or in contact with nature. The personal communion with the Infinite, which we feel when in contact with the beauties of nature or in solitary meditation is a very real thing, but it does not take the place of the fellowship of the church. The purpose of the church is to provide a fellowship for those who are seeking the guidance of the Holy Spirit in their daily lives. The church is more than the sum of its individual members. No matter how deep a spiritual life we as individuals may have, to be a power in the community and society as a whole it must be harnessed with the spirits of other lives.

Those who do not have the background of an early association with the church have missed part of their heritage. Since our public schools provide for no definite religious instruction and many of our modern homes are lax in this respect, too many of our children are growing up with only the vaguest notion of the source of the Christian principles upon which our American society is based. That seems to me to be one of the most important reasons for attending church regularly, for essential religious instruction which we get in no other place.

Anyone who has been out of touch with the church for years and has supported it in no way, is not in a position to judge it by a casual visit. If the church deserves criticism (and it does) it is a judgment on us, as Christians. The irresponsibility of nominal Christians is at the bottom of it. We might say the so-called failure of the church is another indication of the softness of the age. Why should we sit idly by, waiting for the church to give us something which can only be had by seeking it and working for it aggressively? We hear it said again and again that what this world needs is a spiritual awakening. If all who feel that way were sincere enough to really do something about it, we would have a church strong enough to work miracles.

Let us remember the host of democratic and humanitarian movements which stem from the church and its influence; things such as good schools, hospitals and many social service agencies which we, as good citizens, feel it is our duty to support. Does it not go without saying that the institution which exists solely for the purpose of fostering the spirit that finds its practical expression in such works is worthy of our support? Sincerely,

MARY C. GRAY

At the Theatres

AT PASADENA

There'll be no frost on the drama-pane as Pasadena Community Playhouse slates four important and varied playbills under the banner of winter schedule.

John Steinbeck's power-laden drama, "Of Mice and Men", leads off the parade, Nov. 26-Dec. 7. Both pungent and poignant is the sensational Steinbeck story of the two men who in their loneliness cherish the bond of a dream; the farm they'll own when their ranch hand days are over. As a novel, a film and as a play which garnered the critic's award, "Of Mice and Men" stirs with the downright reality of humanity. Dredged from the unlikeliest material, Steinbeck mixes well the qualities of bombast, tenderness and understanding.

AT PADUA

Preliminary rehearsals are under way for "Las Posadas", the sixth annual holiday production of the Mexican Players reproducing the Christmas ceremonies of Old Mexico, which attracts visitors from all parts of the United States.

The Christmas play will have a festive opening on Nov. 27, immediately following the close of the engagement of "Numero 4, Calle Clarina", Mexican boarding house comedy, now in its final two weeks at the Padua Hills theatre, three miles north of Claremont.

SOCIETY

Mariners Hear Talks By Two National Officials

A session of more than ordinary interest was held last evening by the Mariners cub, when the members gathered in the social hall of the Presbyterian church to observe Thanksgiving and to hear two national officers.

An excellent turkey dinner, prepared by Mr. and Mrs. Edward Robinson, and Mr. and Mrs. Jarvis Leaman, members of the club, was served at 6:30.

The Rev. Rex E. Lawhead conducted the devotional service and several vocal selections were given by a quartet, Mr. and Mrs. Roger Moore and Mr. and Mrs. Robert Hall.

For amusement, a contest in cartoon drawing was held, with Roger Mason winning the prize.

Providing the more serious feature of the program, Mr. and Mrs Sam Gist of Pomona, executive secretaries of the National Mariners, addressed the group. Mrs. Gist told of visiting various clubs in the mid-western states and Mr. Gist gave an inspiring talk on "Mariners and Christian Homes."

Present for the meeting were the guests, Mr. and Mrs. Gist; the club presidents, Mr. and Mrs. Henry Busch; Rev. and Mrs. Rex E. Lawhead, and the Messrs and Mesdames Roger Moore, Robert Hall, Floyde Campbell, Jack Hansen, Wallace Stoebe, Ralph Scott, Arthur Sherbondy, Harvey Gallaugher, Clifford Scrogin, Robert Marineau, Allen Palmer, Harold Hemmingway, Roger Mason, Edward Robinson and Jarvis Leaman.

BOOKS FEATURED IN P.-T. A. PROGRAM

Parents and Teachers Gather In Auditorium to Hold Monthly Session

With an unusually large number of parents in attendance, the monthly meeting of the Upland Parent-Teacher association was held Wednesday in the Upland Elementary school auditorium.

Following the opening ceremonies, Mrs. George Eyer, president, conducted a business session, during which plans were made for a Christmas play to be presented in the early part of December.

As a result of the response to roll call, the attendance prizes were awarded to Ernest Camfield's room in the junior high school and Mrs. Rose Johnston's room in the Elementary school.

Mrs. J. B. McCarter, program chairman, presided during the presentation of the program.

Children of Mrs. Esther Kramer's first grade, directed by Miss Evelyn Cross, sang several selections, and community singing was led by Miss Cross and Miss Ellen Thorson.

Presented by Mrs. Kramer, Frank F. Palmer, instructor in English at Chaffey, discussed books and the art of printing in their relation to the progress of social development.

Going back to ancient times, Mr. Palmer told of the invention of printing in China, and of the discovery by the Chinese of a process of making paper from rags.

He followed the development of printing to the modern day and made comparisons between books of olden times and those now published. He also had on display a number of rare old books.

With a thought for the Thanksgiving season, Mr. Palmer spoke of how thankful the people of today should be that the Chinese developed the two great inventions of printing and paper making.

Concluding the meeting a tea hour was held in the cafeteria, the fifth grade mothers being hostesses.

The tea table, arranged by Mrs. Harold Snyder, bore a centerpiece of white chrysanthemums and baby breath, flanked by red, white and blue candles. The arrangement also included a white sailing ship with unfurled flags. Mrs. George Eyer and Miss Jessie Brown, principal of the Elementary school, presided at the table.

Frederick Zimmerman Claims Miss Todd As His Bride

Miss Ann Marie Todd, daughter of Mr. and Mrs. Geo. S. Todd of 132 Monterey avenue, Ontario, and Frederick J. Zimmerman, son of Mr. and Mrs. Fred Zimmerman, of 615 West Seventeenth street, Upland, were united in marriage Saturday, Nov. 9, and now are residing at 619 South Fern avenue, Ontario.

The wedding occurred at 8 o'clock in the First Evangelical church in Ontario, in the presence of approximately 50 relatives and a few intimate friends.

Large baskets of white chrysanthemums placed on each side of the altar provided the floral decorations, the arrangement being completed with potted ferns and three tall candelabra bearing lighted white candles. Bows and streamers of white satin ribbon marked the pews.

The pre-ceremony music included a group of softly played accordion selections offered by Mrs. Roy A. Healy of Ontario, and two vocal solos by Mrs. Ray Beeson of Riverside, sister of the bridegroom, who sang "I Love You Truly" (Bond), and "Oh Promise Me" (DeKoven). Mrs. Healy accompanied the singer and she also played the traditional wedding marches, "The Bridal Chorus" from Wagner's "Lohengrin" and Mendelssohn's "Wedding March".

The single ring marriage service was performed by the pastor of the church, the Rev. Paul C. Neerman.

For her wedding the bride wore a dress of soldier blue wool with navy blue accessories, and a corsage of gardenias and rosebuds. She was given in marriage by her father.

The bride's only attendant was Mrs. Ray Birmley of Lynwood, who served as matron of honor. She was attired in a suit of dark blue wool with watching accessories. She wore a corsage of gardenias and sweet peas.

Attending the bridegroom as best man was his brother, Eugene Zimmerman, of Upland. Chris Zimmerman, also a brother, of Upland, and Robert Gillen of Los Angeles were ushers.

Following the ceremony a reception was held in the church parlor, where the guests were served a wedding collation. Mrs. Gillen, who is a sister of the bride, of Los Angeles, presided at the table, which was centered with a three tier wedding cake, handsomely decorated with a miniature bride and bridegroom and silver wedding bells. A second huge cake served to the guests was the gift of a friend, Peter Raeth of Los Angeles, and was decorated with a large confection horseshoe encircling the words "Good Luck". Assisting in serving were Miss Clarice Gillen of Los Angeles and Miss Lucille Zimmerman, sister of the bridegroom.

Both the bride and the bridegroom graduated from Chaffey high school. Mr. Zimmerman is now employed by the Cooperative Fumigation and Supply company in Upland, while Mrs. Zimmerman holds a position with the General Electric company in Ontario.

Standing on each side of the cancel gate were large baskets of white chrysanthemums and baby breath, while a similar but smaller basket of the favored blossoms was placed upon the altar. Two tall candelabra bearing white cathedral candles completed the arrangement, the candles providing soft illumination for the nuptial scene.

The double ring marriage service was read by Dr. Samuel Hughes, pastor of the church.

For her wedding the bride wore a gown of white faille fashioned with fitted bodice, long sleeves and full skirt. In place of a veil she wore as a headdress a halo of flowers and she carried a shower bouquet fashioned of White archids and bovardia. Her

Her bouquet was fashioned of white orchids and bovardia. Her jewelry was her mother's locket and a ring that belonged to the bridegroom's mother. She was given in marriage by her mother, who wore a gown of royal blue lace over taffeta.

Wilmer T. White, brother of the bridegroom, attended him as best man, and the ushers were Darwin Anderson, brother of the bride, and Kenneth White, brother of the bridegroom.

Business Women Meet In Dinner Session At Oxford Inn

The probable effects of the national defense expansion program upon the various businesses and professions represented in the membership of the Upland Business and Professional Women's club was the topic of discussion at the meeting of the club women held last evening in Oxford inn, Claremont.

The meeting opened with dinner at 6:45, Mrs. William A. Gilliland, club president, presiding.

During the business session the members voted honorary membership to Mrs. Bess K. Grisham and Mrs. Lottie V. Fuller, two of the club's valued members, whose affiliation with the club dates back to its early days.

Official welcome also was extended to Mrs. Clara R. Jacobs, who is returning to the organization, and to Mrs. Jewell Teuscher and Mrs. William Tyler, who recently became members.

Mrs. F. H. Manker, as program chairman, directed the discussion of the selected topic. Each of the 22 members present responded to Mrs. Manker's request to tell in what way the national defense program may affect her particular business or profession.

Although various reasons for their opinions were given, the general consensus was that the increased circulation of money, through building, purchases, production and wages, would bring a certain measure of prosperity to business in general.

The "home-made" program proved to be both informative and interesting and was particularly enjoyed by the club women.

The hostess committee for the evening included Mrs. Manker, Mrs. Teuscher and Miss Jessie Brown.
